This writ appeal is preferred against the interim order passed in WP(C) No.47/2006 dated 24/3/2006. Apprehension of the appellant is that the observations contained in the interim order would affect the final disposal of the writ petition. We make it clear that the writ petition should be disposed of untramelled by the observations contained in the interim order.

Writ appeal is disposed of as above.

Registry is directed to post the writ petition for an early hearing in the last week of July.
